## BLUE AND GREY IN THE DUST

Visitors Overwhelm Georgetown on the Gridiron.

Virginia Polytechnic Institute Victorious by the Score of 32 to 6 ter-Barry and Reilly Injured.

The Georgetown Field was the scene yesterday afternoon of one of the most interesting football games of the season. though the result was somewhat disas-trous to the home team. The Virginia Polytechnic Institute played against Georgetown. The score was 2 to 8 in favor of the Virginians.

The result was disheartening to the before this season. When the game ended, the great majority of the spectators sympathizing with the home team, as is surely reach the last chalk line. He measured his cheep he the

line by several feet.

The Y. M. C. A. eleven is very strong that the average weight of the Virginia team was considerably below that of their opponents. Georgetown claimed also that the Virginia team had been playing against the famous V. M. I. eleven. The other side offset this by calling attention to Georgetown's game with Annapolis two weeks ago. Members of the Virginia team attribute their success to their splendid trainer, Morrison, of Cornell.

The afternoon was typical Indian summer weather, which, except for being slightly warm for the players, could not have been better suited to the occasion. The griding was just dry enough to be in good condition. A number of ladies were the head and the condition of the players, could not in good condition. VALE'S HARD BATTLE.

sylvania State College.

NEW HAVEN, Oct. 18.-In the hardest night game of the season Yale today lefeated the Pennsylvania State College am 22 to 0. The score does not show n the least the character of play which comprised the game. The halfs were twenty minutes each, and Yale could only make two touchdowns in each half by the hardest and fiercest kind of playing. The game was exceptional, for it saw Yale put on the defensive for the bigger part of the second haif. The first time Yale player has had to be taken from game was today. Rafferty was struck n the stomach and had to leave the game for good. Teday also saw the full Yale varsity team, with the exception of Captain Gould, played for two halfs ut a substitute put in for the second

half. Hogan, Glass and Olcott have been the players who have previously had to go the limit, but today it was the entire varsity that was compelled to fight in themselves. in all her playing this season has Not in all her playing this season has Yale been held for downs as many times as in the play today. Her centre was hit for five yard grin and her ends were skirted for long runs. Twice the State players succeeded in entirely crossing the field for gains, and once for a gain of thirty yards. The State's ends were too much for Yale and her best gains were through the line. Hart, as usual, made some sensational runs, but the end gains were, on the whole, not entirely satisfactory.

The tackles back today formed Yale's

of the half they were credited with 23 halfs of twenty minutes

In and they added two more touchdowns.

The Tigers showed improved form in almost every department. The line was strong on the defence, and Brown was able to gain the required distance only three times during the contest. The few advances that the Rhode Islanders made occurred around the end and just outside of tackle. The only fault that was prominent enough to be regarded as a discouraging element was fumbling. More than once a fumble lost the Tigers a good aging eletient was fumbling. More than once a fumble lost the Tigers a good change to score.

Twice McClave dodged his way through the entire Prown aggregation—once in the first half, when he carried the ball eighty yards to the visitors' five-yard line, where his effort was spoiled by a fumble on the next play and again in the second period, when he ran back a punt seventy yards for a touchdown.

## SOLDIERS' GAME STRONG.

Touchdown and Goal.

WEST POINT, N. Y., Oct. 19.-The Ca. ets played Harvard to a standstill this afternoon, They were beaten by a small score of 6 to 0, and the single touchdown and goal that Harvard made came in the second half of the game when there were only about thirty seconds more to play. It was the narrowest squeak the rimson has had this year.

The Harvard sympathizers were glad to see their team win by any score after witnessing the Herce and unyinding re-sistance with which the moldiers met the Cambridge cohorts. The Harvard touchown was sensational. The ball was on Harvard's 45-yard line, sixty-five yards away from Harvard's goal. Four or five yards had been the best Harvard could do at rushing, and not many of those gains were made. The pignskin was passed to Kernan who came leading gound. to at rushing, and the pigzkin was passed to Kernen, who came leaping around West Point's left flank. He cleared the line and shook of saveral tacklers, among them Daly, the former Harvard star.

The rest of the way was clear and Kernan hurried over the goal line. Kutz

GOLF ON CHEVY CHASE LINKS. Columbia Defeated by the Net Point Score of 22 to 4.

Chevy Chase golfers led the team from Columbia Golf Club to defeat yesterday in the final match for the "Evening Star" cup on the Chevy Chase links. The team score by holes was 42 to 6, and the net point score 22 to 4. The only Columbians who were not bested were Dr. L. L. Harban and J. W. McKinley. The match was fully as good a contest as that of Wednesday, when Chevy Chase scored its first victory over the ten stick handlers of the Columbia Club on the lat-ter's links. The number of spectators yesterday was quite large and a fair-sized gallery followed the players over

the green.
Dr. Harban's victory over Captain Horstmann, the Chevy Chase leader, was quite creditable. Harban suffered defeat by Horstmann on Wednesday. The feature of the match was a phenomenal drive by Horsimann from the first tee, when the gutta percha was sent well into the bunker, fully 240 yards distant. At the end of the match Harban, who excelled in approaching on green work, had his opponent 5 up. Horstmann's stroke was somewhat off.

Col. F. L. Denny made a remarkably

to have each team play four games, two at home and the same number abroad. A schedule will be prepared and submitted for approval at a meeting to be held next. Friday. The Y. M. C. A. and Carrolls will play all their home games in their own gymnasiums: the wheelmen will play in what was known as Marini's Hall and the Corcorans and Urells will use the National Guard gymnasium.

The following officers were elected for the ensuing year: Oscar Schmidt, President; C. E. Beckett, Y. M. C. A. Vice President; E. C. Edwards, Corcoran Cadets, Secretary, and F. H. Moore, Arlington Wheelmen, Treasurer.
